

# HOME WORSHIP FOR EASTER TRIDUUM

**“George, all my life I was against religion and all religious practices. Motto of my life was 'Insulate, Insulate, Insulate.' But in my days of sickness and loneliness people like you reached out to me. Now I believe there is a God; and He is a God of connectedness and community.”**

These are the words of one of the Coronavirus patients we are supporting. This is what Holy Joes is doing now; and always.

That is our Vision; to eradicate social isolation and disconnection by keeping alive the 'Memory of the Passion' in our hearts.

I invite you to make the sacred journey of Holy Week with us, even as we make it apart from one another this year. It's only by experiencing the depths of Jesus' self-offering that we can grasp the fullness of what it means to live life abundantly in a time such as this.

Your generosity makes this abundant life possible for so many others, both near and far—especially in this season of deep need. I am grateful for your generosity and for your continued faithfulness to God, in such a time as this.

Hope and pray that this material would help you to have a more meaningful celebration of the Easter Triduum in your homes.

**I miss you deeply and pray for you daily.  
Fr. George, CP**
